

REGIONAL CELEBRATION EVENINGS

**7.00pm every
1st Sunday Evening
of the month from
4th September 2011**

YOU ARE INVITED to share in this EXCITING VISION for worship, prayer and ministry together, because we recognise that unity brings pleasure and glory to God and provides a context in which He has promised His blessing. There will be some inspiring speakers for these Regional Celebration Evenings. We recognise that if the one million people in the region are to be reached with the good news of Jesus, partnership rather than competition between churches is vital.

The 1st Sunday Celebration Evenings in Woodlands crypt, running parallel with the youth MIX upstairs and the Celebration of Christmas every other year at the Cathedral have continued on from the Celebration Evenings at the Council House. From 4th September the MIX will be changing to 5.00pm. This will leave the Main Hall free for a wider 1st Sunday Regional Celebration Evening at 7.00pm. This will be a development from the Council House Celebrations, now reaching a wider region. You are invited to join us in this venture.

Much love, Rob & Pam Scott-Cook
