Talk title: Rachel & Leah: contentment, comparison, & control

Bible verses: Genesis 29:31 - 30:24

What are the main points?

- Be the right person even in the wrong circumstances
- Our purpose is to love. Nothing can separate us from God's love or stop us loving.
- Don't get stuck, fixating on your problem, "You can't get over it. You can't go under it. Oh no! You have to go through it" by changing your focus onto God and His blessings.

Questions to prompt conversation...

In what ways has your life followed the 'happy ever after' script you would have written in your mind for yourself? And what ways has it not?!

What did you think about Nick Vuyicic's video testimony?

How have you seen God bring good out of the adverse circumstances in your life?

What difference does our attitude to our problems make?

Is there an area where you are fixating on your problem rather than focussing on God's goodness and His other blessings in your life?

How can you be the right person even in the wrong circumstances?
