Questions to prompt conversation...

How is the book of Nehemiah a picture of the new testament principle of battle from Ephesians 6. What other pictures or themes does the book of Nehemiah portray?

What deceitful ideas (lies) does the opposition tell the people? how do they respond? Is there a deceitful idea that you are dwelling on rather than what God is saying about you and your situation?

Are you getting proper rest...and a Godly perspective?

Are part of a community and asking for help...and giving help?
