Questions to prompt conversation...

What did you find most helpful or most challenging from this talk/bible passage?

What are we seeing happening in culture and how might God be speaking to us?

What area of culture do you think you hear God speaking to you?
(politics/media/music/film, etc...)

How do you filter what God may be saying to you/us in culture through what the comfortable/uncomfortable bits of the bible (not just one-off verses)?

How do we listen more carefully to those people our culture ignores and hear God speaking through them – through children, through those in poverty or that life treads on, through those who suffer?
