Talk title: Where's the wonder?

Bible verses: Mark 9:2-15

What are the main points?

- The Wonder is his love
- The wonder gets choked out (parable of Sower)
- Wonder rekindled through deeper relationship

Questions to prompt conversation...

- Is there someone in your group who could share their story about how they came to know Jesus?
- What contrasts are there between the Mount of Transfiguration and Mount Calvary? And what do both of these tell us about the nature of Jesus?
- What are the worries, desires and distractions in the here and now choking out the wonder of Jesus from your life? (And causing you to drift away)
- What are you doing to actively build a deeper relationship with Jesus every day?
- Why should that be a priority for you?
