Talk title: Jacob: wrestling and transformation

Bible verses: Genesis 32:22-32

What are the main points?

In our wrestling, we can expect and should ask for:

1. Blessing from God
2. Encounter with God
3. Transformation by God

Questions to prompt conversation...

- What is the big struggle in your life just now?
- What are you going to do? Avoid the fight? Give up? Or wrestle?
- Can you invite God into the situation and wrestle with him?
- How will you wrestle with God? Prayer? Listen to his voice? Persistence? Share with others who will pray with you and for you?
- Can we bear the scars and point to them without being ashamed?
