Talk title: For the Journey: Faith

Bible verses: Genesis 12: 1-9 & Hebrews 11: 8-13

What are the main points?

What is faith? How would you describe it?

“To go on this journey of life and following Jesus, our faith needs to be rooted in the reality of the **person-ness** of God, Jesus and Holy Spirit.”

What do you think about this?

1. It's (not) all about me
2. God never forgets
3. A 'yet' kind of faith, a 'yet' kind of people

Questions to prompt conversation...

- What did you find most helpful or most challenging from this talk/bible passage?
- Have you had experiences in life where God has said something to you, maybe very specifically, maybe in a general kind of way, and then it's like God has suddenly gone silent?
- Is it possible to have faith, to trust God, for something He's clearly said, but that you might not clearly see?
- Does God forget? Does it feel like God sometimes forgets?
- Where are the places/situations God is inviting us to roll up our sleeves and help bring about His promises here on our earth today?
- Can we, together, have a 'yet' kind of faith? Can we be a 'yet' kind of people in our messy world today? What might this look like for you/us?
